Notes:

- a – Tenured and tenure-track faculty including any faculty appointed under any special program(s) leading to a tenure-track position. Numbers in this category will normally be whole numbers.
- b – Sessional faculty – indicate the number of people involved in the first line, but in the second line record the extent of their involvement as a fraction of a full teaching load. For example, if a full teaching load is 2 courses fall and winter with lab, and you have some one teaching one course with lab in fall only, record that as 1 in the “Sessional faculty people” line, but as 0.25 in the “Sessional faculty positions” line.
- c – Holder has obtained a doctorate or equivalent, including post-doctoral appointments.
- d – Active = teaching a course, supervising a graduate student, etc.
- e – Active = formally appointed by the university and as in (c).
- f – Do not include graduate student demonstrators or teaching assistants.
- g – From the lowest grade (e.g., technician) to the highest grade (e.g. tech officer).
- h – From the lowest grade (e.g., clerk) to the highest grade (e.g., admin officer).
