

## Permission to Use Photograph(s)

The Geoscientists Canada often uses photographs to publicize the profession and for other purposes. Photographs may appear in printed publications, on Geoscientists Canada’s website, presentation and in other media.

In order for Geoscientists Canada to use your photographs, it needs your permission. Please list your photograph(s) and complete and sign the following statement.

I, \_\_\_\_\_, do hereby declare and warrant that I am the copyright owner of the photographs listed below, have given permission and license to Geoscientists Canada to use these photos. Furthermore, I grant creative permission to alter the photograph(s). I hereby grant a nonexclusive license to Geoscientists Canada to reproduce these photos for professional use only, and I represent that I have a legal right to grant such a permission and license for these photographs.

In the case of photographs where individual persons appear in my photographs listed below, I certify that I have in turn received express permission and a release from all such persons appearing for use their image and likeness by me and my assignees.
